**Winter 2018
Program Guide**

January 2018 – April 2018

[The Winter 2018 Program Guide is now available online HERE](#) and for pickup at YECC. We will get right into the new programs during the first week of January.

Please consider registering ahead (at no risk to cancel) for the Toonie Talks this season. This will help us to be prepared to accommodate the larger crowds that we have seen recently at these sessions. Also, please keep in mind that no registration is final until payment is received for all other programs.

As the holiday season is upon us, we find ourselves reflecting on the past year and those who have helped to shape our organization. It's been quite a year for us all! We hope that 2017 has been just as memorable for you, your peers and your loved ones. We look forward to working with you in the year ahead.

Happy Holidays from all of us at SWESA and a happy, healthy New Year!
